Summary

I am a motivated IT professional with 2+ years of experience in development of PL SQL objects in Consumer retail sector. I have expertise in data analysis, design, ER modeling, Enterprise Data Warehouses and Data models.

Experience

Sterling and Wilson – Bangalore, India

Programmer Analyst (Dec 2016 – Oct 2019)

- Responsible for designing schema using Erwin data modeler and generate the DB scripts using the tool.
- Worked with SQL Loader to import and export data from the flat files in and out of the legacy database.
- Participated in creation of database objects like tables, views, Materialized views, cursors procedures, packages, cursors using Oracle tools like TOAD, PL/SQL, SQL* Plus, SQL*Loader and Handled Exceptions.
- Prepared the test scenarios and performed unit and regression tests on PL/SQL programs.
- Designed and developed transactional and analytical data structures.
- Wrote packages to fetch complex data from different tables in remote databases using joins, sub queries and database links.
